git reset

branche-1

git reset

✓ Même effet que ci-dessus

- ✓ Mise à jour de l'index de HEAD avec celui du commit
- ✓ la branche courante (ici *branche-2*) suit la HEAD
- ✓ Le working tree reste inchangé

git reset

`git reset` ●

- ✓ Mise à jour de l'index de HEAD avec celui du commit
- ✓ la branche courante (ici *branche-2*) suit la HEAD
- ✓ Le working tree reste inchangé

`git reset`

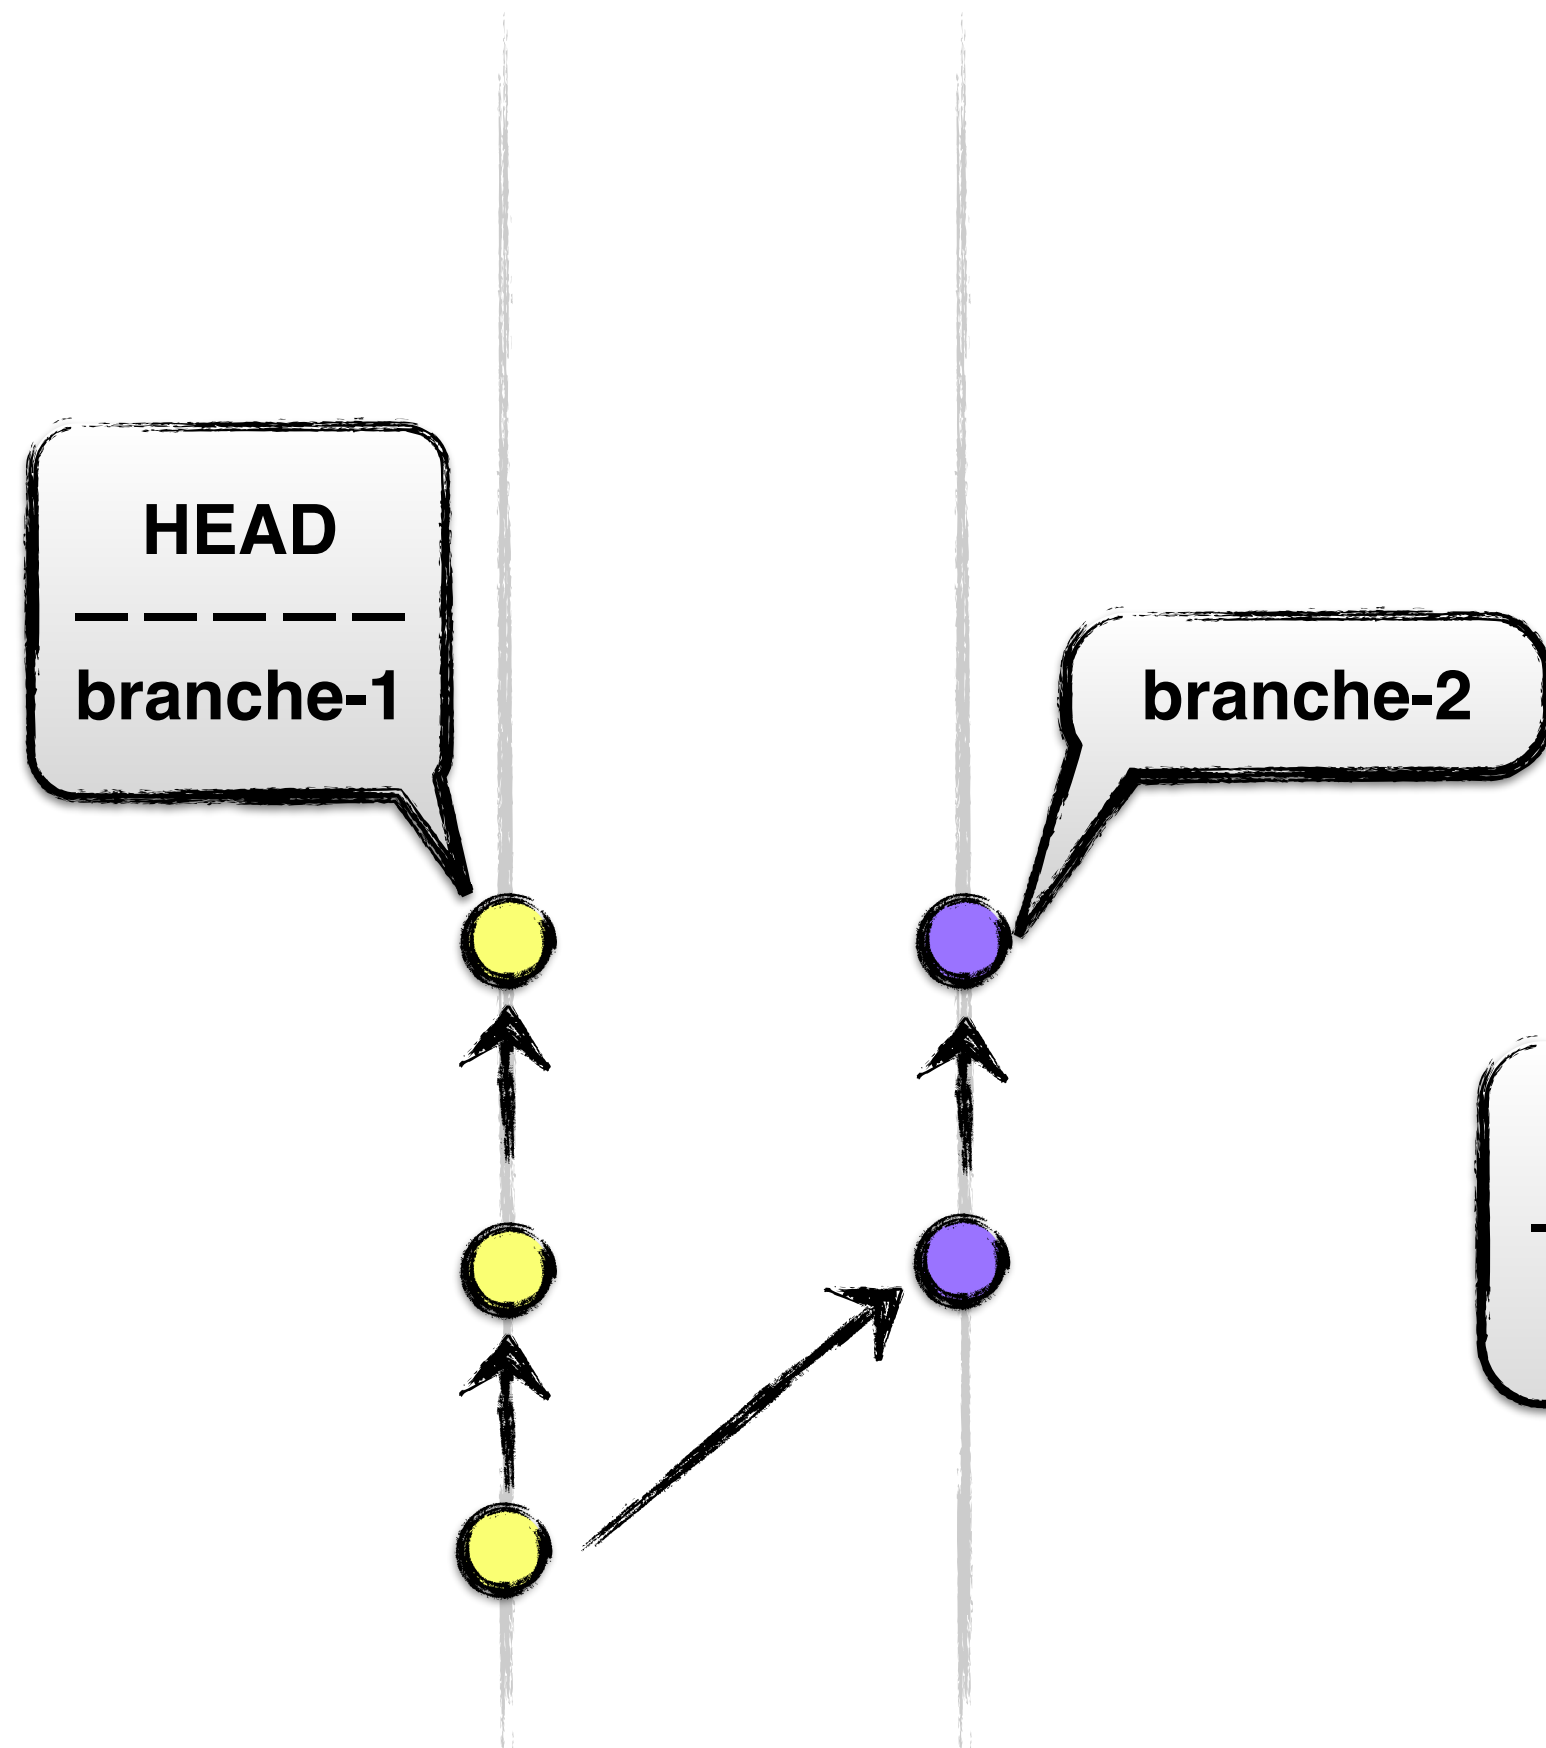

● `branche-1`

- ✓ Même effet que ci-dessus
