A hand-drawn speech bubble with a thick, irregular black border. The bubble is light gray and has a rectangular body with rounded corners on the left side, tapering into a long, thin tail that points towards the bottom right corner of the image. Inside the bubble, the word "HEAD" is written in a bold, black, sans-serif font at the top. Below it is a horizontal line, and under that line, the text "branche-2" is written in the same bold, black, sans-serif font.
